

Growing Energy
Self-Reliant Communities

Saturday, March 7, 2:30 pm to 5:00 pm

At the ARK community center in Viroqua

Keynote presentation by Sunpower Biodiesel

Our supplier of ASTM certified biodiesel, on their experience producing and distributing biodiesel to farms, schools, retail, municipal users and truck fleets.

Panel discussion on topics of local interest:

- ◆ La Crosse Diesel—a mechanic's view of biodiesel use in trucks and cars
- ◆ On Farm Use—a farmer member's story
- ◆ Driving Clean with biodiesel
- ◆ Viroqua resident on Home Heating Use
- ◆ Plenty of time for Q&A

Free and open to the public, complimentary light dinner to follow

401 E Jefferson St. Viroqua WI 54665
